

## Concrete Hoppers

Concrete Hoppers - This particular accessory is a self-dumping hopper that automatically starts to unload as soon as bumper release contacts the side of a dumpster. Once dumping is completed, the hopper returns to a locked and upright position. This piece of machinery is also offered together with a cable which enables operation from the seat of the lift truck to be able to have the choice of manually unloading the hopper. There is a locking chain provided so as to lock the hopper to the fork truck. This product is constructed with reliable and consistent robotic welds for utmost strength. The forklift dumping hopper even has a blue powder coat finish so as to maintain durability.
